

*if art needs to be explained
then it wasn't art*

A word cloud on a black background. The central text is 'W.D.' in a large, white, serif font. Surrounding it are numerous instances of the phrase 'My mind is thinking, and it can't stop.' in a smaller, white, serif font. The phrases are oriented in various directions, some horizontal, some vertical, and some diagonal, creating a dynamic and repetitive visual effect.

A word cloud featuring the phrase "This shall never pass" repeated multiple times in various sizes, orientations, and colors (black, white, and grey). The text is arranged in a circular, swirling pattern, creating a sense of motion and repetition. The phrase is the central theme of the entire image.

[illegible]

I will forgive you, But he won't.

And won't

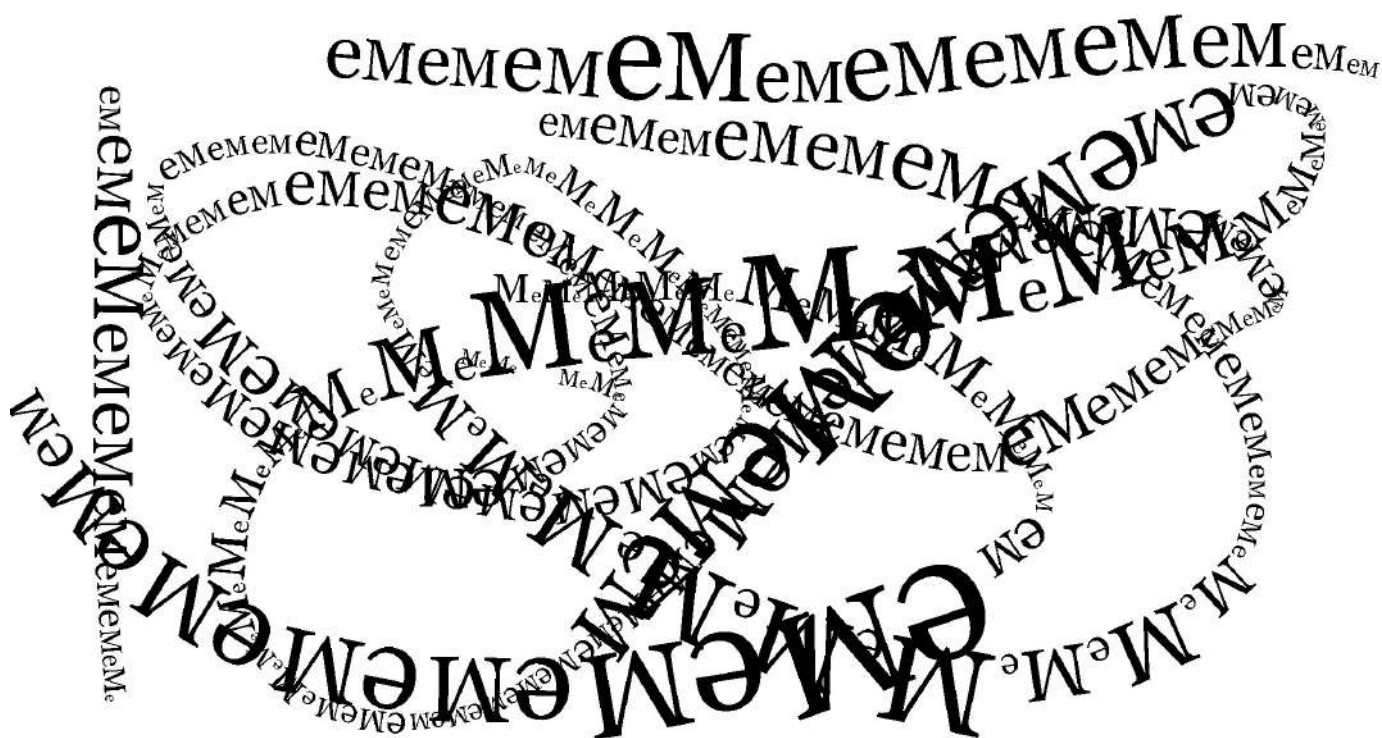

A word cloud featuring the phrase "I won't forgive you, but I will forgive you" repeated in various sizes and orientations, creating a circular, spiral-like pattern. The text is black on a white background.

*I will love you,
but he won't.*

Will for give you, but he won't.

ou, but he won't. I will forgive you, but he won't. I will forgive you, but he won't. I will forgive you, but he won't. I will forgive you, but he won't.

A word cloud featuring the phrase "Forgive me I don't know." in various sizes and orientations. The text is black on a white background. The phrase is repeated many times, with some instances being larger and more prominent than others. The background also features faint, repeating text of the same phrase, creating a layered effect.

[illegible]

A word cloud of the phrase "Life couldn't be better with you in its frontiers" arranged in a circular pattern. The words are of various sizes and orientations, creating a sense of movement and repetition. The phrase is repeated multiple times, with some words appearing more frequently than others. The overall shape is roughly circular, with the words flowing inwards from the outer edge towards the center. The colors are in shades of blue and grey, giving it a professional and clean appearance.

A word cloud featuring the phrase "We could've done it, but you chose 'you did it'" repeated in various sizes, orientations, and colors (black, white, and grey) against a black background. The text is arranged in a circular, swirling pattern, creating a sense of motion and repetition. The phrase is the central focus, with variations in font size and weight emphasizing different parts of the sentence. The overall effect is a visual representation of a common expression of regret or blame.

Math is a healer of the unbroken

[illegible]

[illegible]

nothing gets broken twice, i was not hurt

nothing gets broken twice, i was not hurt

I was nothing gets broken twice. I was nothing gets broken twice. I was nothing gets broken twice.
