Qui sommes-nous
si on se voit dans
le miroir des
autres?

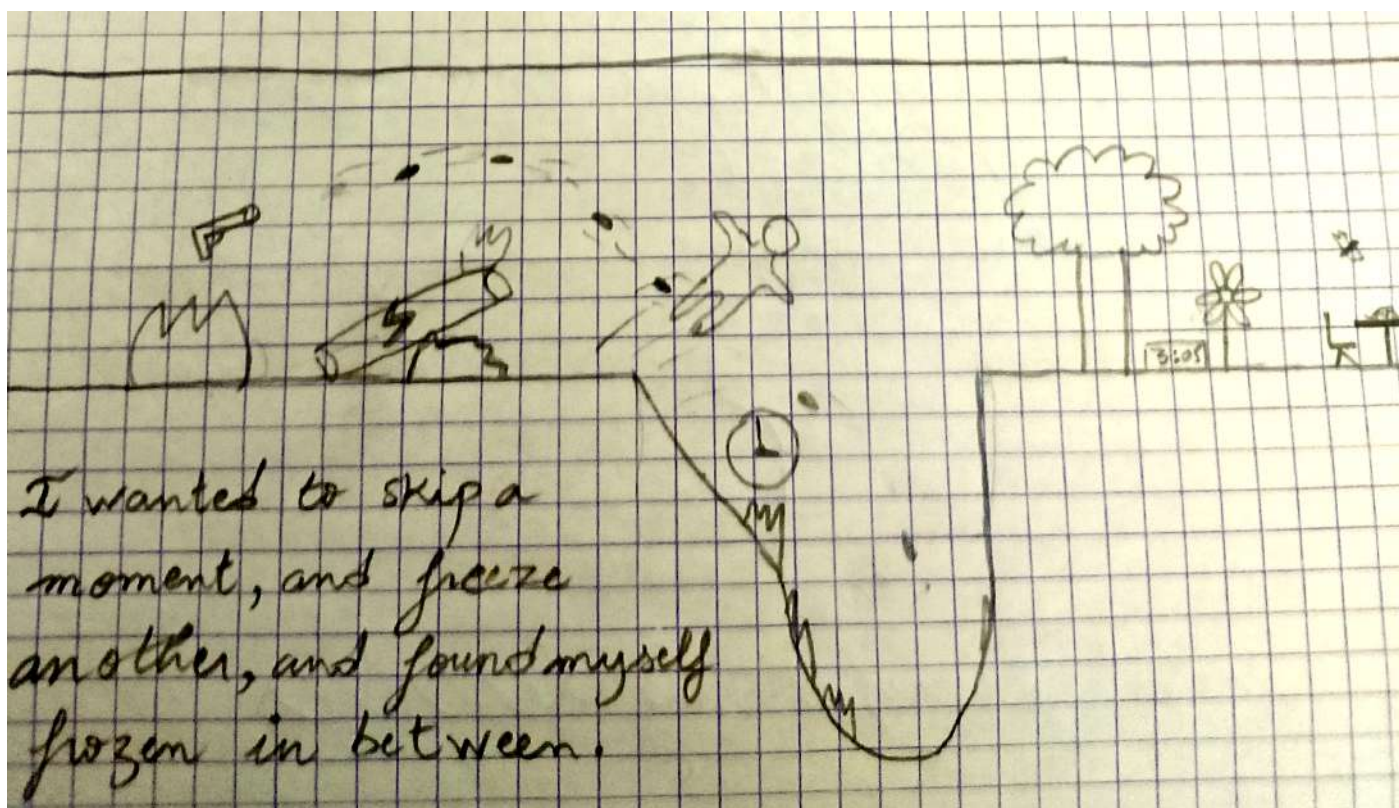

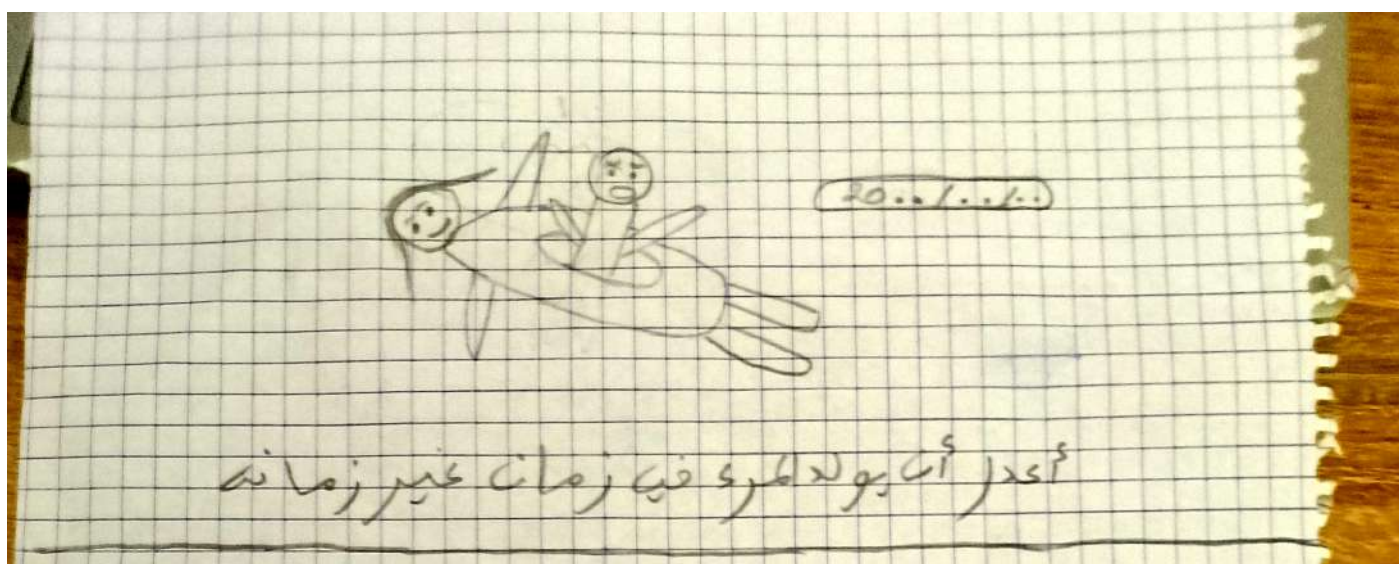

Who are we if we see ourselves in the mirror of others?

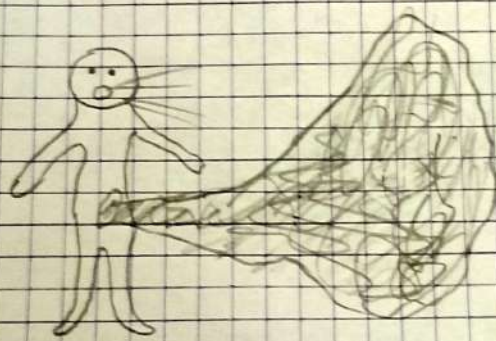

Être le meilleur
au prix d'être le
pire.

To be the best at the cost of being the worst.

Is it fair to be born in a time that isn't yours?

Parler au vide, ou se vider en
parlant.

To speak into the void, or to empty yourself by speaking.

Not everything deserves
to have a meaning.
